1. Part A of this Lease sets forth our obligations as Manager:

1. Utilities and Amenities:

Water/Sewer will be billed to you by a third party vendor and will be charged directly to your rental account. The "RUBS" system of billing is based on the number of occupants within each apartment home. For more information on this billing system, you may consult Landlord. Usage for the common areas will not be billed to our residents and will continue to be paid by the community. Usage for common areas is estimated at 2-3% of overall water/sewage usage for the community, but Landlord will absorb no less than 10% of the water/sewage expense. Landlord reserves the right to increase or decrease its percentage of the water/sewage expense for any reason, but shall not decrease its percentage below 10%. The third party vendor may assess a small administrative charge for servicing your account, which may increase or decrease from time to time, based upon the policies of the third-party vendor and its agreements with Landlord. In the event you fail to pay the water/sewer charges timely, the landlord may impose a late fee or other charges to your account. You may contact management for a determination of these fees. If you fail to pay the water/sewer account timely for at last 60 days, your account will be deemed in default and subject to all applicable terms under the lease agreement.

- 2. **Return of Security Deposit:** Your security deposit will be returned to you after your Lease has ended and if you have met the following conditions:
 - a. You have vacated your Apartment;
 - b. You have paid the rent and other charges due under the Lease;
 - c. You have given us proper notice of your leaving;
 - d. You have removed all of your personal property and have left the Apartment in good and clean order, except for ordinary wear and tear.

If we retain some or all of your security deposit, we will notify you at the forwarding address you provide of the reason we withheld part or all of your security deposit. We will send you notice and/or return your security deposit within the time set forth in the State Law Provisions attached to this Lease.

- 3. **Entering the Apartment.** We may enter your Apartment in order to make repairs or inspect or to show the Apartment to possible or actual purchasers, mortgage lenders, possible future residents, appraisers, workmen or contractors. We do respect your privacy and will attempt to notify you before entering your Apartment, except in cases of emergency. We may enter the Apartment at any time without your consent, at our sole discretion, in case of emergency. You acknowledge that in some cases we will need to enter your Apartment to handle an emergency or make ordinary repairs to another apartment or part of the building in which the Apartment is located. If you contact us to request a repair, then we are not required to notify you of our responding service call.
- 4. **Repairs.** We will promptly respond to your maintenance requests and will correct any routine maintenance items within a reasonable amount of time, taking into account the nature of the maintenance request. However, our responsibility to make repairs is limited as described in Part C, Section 9 below.
- 5. **Insurance.** We will insure the Community in accordance with reasonable commercial practices.

Please note that we do not insure your personal property, and you must obtain renter's insurance in order to have coverage for your personal property. Note also that our insurance will not cover your time and inconvenience in the event of damage or destruction to the Apartment or the Community.

When we notify you that the Apartment is ready, your obligation to pay rent shall begin.
7. **Condition of Apartment and Community** . The Apartment will be clean and habitable and prepared to your satisfaction when you move in. Subject to your obligations set forth in Part B, Section 6, we will maintain the Apartment in habitable condition during the term of the Lease. We will maintain common areas and parking areas within the Community.

2. Part B of this Lease sets forth your obligations as Resident:

1. **Rent**. You agree to pay us rent in the amount set forth above (on page 2). Rent must be paid in monthly installments on the 1st day of each month. Rent must be paid in full and no amount may be subtracted from it.

All rent and security deposit payments must be made by check or money order. Rent must be paid at your community rental office, or at such other place as we may notify you in writing.

Any sum you are required to pay us under this Lease in addition to monthly rent shall be additional rent.

Late Fees. If you fail to pay the rent in full before the end of the 5th day of the month, you will pay us, as additional rent, a late fee of 10% after the 5th of the month and an additional 5% if you pay after the 15th of the month. The late fee is due on the 6th of the month and any additional late fee is due on the 16th of the month.

All interest and late fee charges are subject to ownership's collection policies.

We do not waive the right to require payment of rent in full on the date it is due.

Returned Checks. You will pay us, as additional rent, a fee of \$45 for all returned checks. If your rent check is returned, you will pay the rent and the applicable late fees and charges by money order or certified check. If your rent check is returned more than 3 times in any 12 month period, we may require that you pay all rent and other charges by money order or certified check.

Habitual Late Payment of Rent. You acknowledge that your habitual late payment of rent is a material default under this Lease, even if you eventually pay the rent. We are entitled to terminate the Lease for your failure to pay rent on time on more than 2 occasions within any 12 month period.

2. **Security Deposit**. You have deposited with us the amount set forth above (on page 2) as a security deposit. Your security deposit will be held in an account in

Interest on your security deposit, if any, will be paid in accordance with our policy and applicable state law, as set forth in the State Law Provisions attached to this Lease.

Payment of interest on your security deposit may be modified in accordance with changes to state laws, and we will notify you of any such changes.

You may not elect to use the security deposit as payment for any rent that you owe under the Lease.

3. **Use.** You will use the Apartment only for dwelling purposes. You represent to us that the following persons (and no others) will occupy the Apartment:

Rodrigo Jimenez Campos

You must advise us immediately in writing of any change in the occupants. Subletting the Apartment requires our consent as described in Part B, Paragraph 4 below.

4. **Assignment and Sublet.** You will not assign (i.e. transfer) this lease or sublet the Apartment without our written consent. If you assign the Lease or sublet the Apartment, you will not be relieved from your obligations (including paying rent) under this Lease. Check with your Community regarding conditions and fees, which apply when you ask us to consent to an assignment or sublease.
5. **Utilities.** You are responsible for paying for all utilities. You are responsible for setting up all accounts in your name prior to move in and terminating all accounts prior to move out. You will be charged for your utility usage either directly by the utility or by us or our agent. All utility charges charged to you by us or our agents are considered additional rent. Sub-metering or ratio utility billing systems will only be used where they are not prohibited by law.

You will pay all utility bills incurred during the term of the Lease by the stated due date, including any deposits, fees and increases as billed by the utility provider, (or by us or our agent in the case of utilities billed to you by us or our agent). If you fail to pay any utility bills charged to you by the utility company and we are held responsible for payment, you will pay as additional rent (collectible as rent) the amount of the utility bills, together with any applicable service charges or penalties. Furthermore, if you fail to pay any utility bill, we may pay the same on your behalf by deducting the amount of the unpaid bill from your security deposit, which you will be required to immediately replenish when billed and the same shall be considered as additional rent (collectible as rent). Your failure to make payment for utilities in a timely manner is a substantial and material breach of the Lease.

We may modify the method by which utilities are provided or billed to you (such as installing a submeter or adjusting the billing formula) on sixty (60) days prior written notice to you.

Beacon Management shall not be liable for any loss or damage resulting from outages, interruptions, or fluctuations in utilities provided to you except as provided by law.

6. **Maintenance, Repairs and Alterations.** You will keep the Apartment and equipment and appliances in clean, orderly and safe condition. You will not do or permit to be done

any repairs, alterations, additions, improvements, painting, decorating or wallpapering in the Apartment or in the Community without our prior written consent. If you make any alterations or additions without our consent, we can require you, at your cost, to remove the alterations or additions and return the Apartment to its condition prior to the alterations or additions. If you make any alterations or additions with our consent, those installations will become our property. If you or your family, guests, visitors or pets damage the Apartment or the Community, you will pay us upon demand the cost of such repairs as additional rent.

7. **Compliance with Laws.** You will comply with all laws and regulations concerning the Apartment and the Community. You will also require your family, guests or visitors to comply with any laws or regulations in the Apartment or the Community. You will pay us as additional rent the amount of any fines or penalties we are required to pay because you or your family, guests, visitors or pets violate any law or regulation affecting the Apartment or the Community.
8. **Compliance with Rules and Regulations.** You agree to comply with the Community Rules and Regulations, which are attached to this Lease. We may, upon thirty (30) days' notice to residents of the Community, modify the rules, add new rules or delete rules. The Community Rules and Regulations are made a part of this Lease and a breach of any Community Rule or Regulation will be a default under this Lease.
9. **Peaceful Enjoyment.** You will conduct yourself and require your family, guests and anyone you invite into the Community to act in a manner that will not disturb your neighbors' peaceful enjoyment, the Community staff or the operation of the Community. You agree not to make loud noises, disturbances, nuisance or do anything else which interferes with or disturbs the rights, comfort or convenience of other residents or which interferes with or disturbs the Community staff. We are entitled to determine in our sole judgment whether you have violated this section.
10. **Renter's Insurance.** You are urged to carry renter's insurance on your personal Property, as we cannot and do not insure your personal property against loss.
11. **Pets.** Pets are not allowed in your Apartment or on the Community grounds without our written approval. Having an unauthorized pet in the Apartment or on the Community grounds is a substantial default under this Lease, except for guide dogs or other assistance animals for disabled residents.

If we have given permission for you to have a pet in the Apartment, see the Pet Agreement attached to this Lease for our permission and the terms and conditions that apply.

3. Part C of this Lease sets forth other provisions and other obligations of yours and ours.

1. **Damage to Apartment or Community.** If the Apartment is so damaged by fire, storm or other casualty that it is uninhabitable, then this Lease shall end as of the date of the casualty and rent shall be paid up to the date you vacate the Apartment. However, if the Apartment is damaged by casualty but remains habitable, then this Lease shall continue,

but your rent shall be reduced in proportion to those rooms within the Apartment which are not habitable until the Apartment has been repaired. Decks or balconies and other nonessential elements of the Apartment shall not be counted in determining the habitable parts of the Apartment.

If any part of the Community is damaged by casualty, even if the Apartment is not damaged, we have the right upon thirty (30) days' notice to you to end this Lease. The Lease will end as of the date specified in our notice to you and you will vacate the Apartment on or before that date.

If the Apartment or any part of the Community is damaged or destroyed by fire or other casualty resulting from any negligent act by you or any of your family, guests or visitors, you are liable to us for the costs of any such damage and you shall upon demand pay us such costs as additional rent.

2. **Condemnation.** If any part of the Community is condemned by a governmental authority, we have the right upon thirty (30) days' notice to you to terminate this Lease. The Lease will terminate as of the dates specified in our notice to you and you will vacate the Apartment on or before that date. You will not be entitled to any payment from the government because of such condemnation except for moving expenses, if applicable.
3. **Notice to Vacate at End of Lease Term.** You must give us at least 60 days written notice of your intention to vacate the Apartment at the end of the term. If you fail to give this notice, you will be held liable for rent for the period for which you failed to give us notice. Please note that you are not permitted based on this section to give us notice that _____ you will leave prior to the end date of this Lease (on page 2).
4. **End of Lease Term.** You shall vacate the Apartment at the end of the term of the Lease. You must remove all items of personal property and leave the Apartment in good and clean order, except for ordinary wear and tear. Failure to leave the Apartment in good and clean order, except for ordinary wear and tear, may result in our retaining part or all of your security deposit and assessing charges for damages in excess of the security deposit amount. Any personal property you leave behind after you vacate the Apartment shall become our property and we may dispose of that property at your cost, as permitted by law. _____
5. **Failure to Vacate at End of Lease Term.** In the event you do not vacate the Apartment at the end of the term, we may use legal process to remove you. Or, if we accept rent for any period after the end of the Lease term, then you shall be deemed a holdover Resident and your tenancy shall be month-to-month, with monthly rent at Market Rate plus an additional monthly fee of \$200 .

Either you or we can terminate the month-to-month lease as of the last day of any calendar month by giving one calendar month's written notice to the other party. _____

Consequences of Default. If you are in default under this Lease, we may terminate this Lease by giving written notice to you in accordance with local law. The Lease will end on the date given in our notice to you. On or before that date you must leave the Apartment and give us the keys. However, you remain responsible for all rent, additional rent and other charges.

If your Lease is terminated or you fail to pay rent or additional rent on time, we may turn you over to a collection agency and/or we may bring legal action against you to recover possession of the Apartment and any money you owe us.

Consequences of Early Termination of Lease. Please check the State law Provisions attached to this Lease and with your Community office for any special policies or laws, which may allow you to terminate your Lease early.

If the Lease is ended or you vacate the Apartment before the end of your Lease term, rent and additional rent for the remainder of the Lease term will become immediately due and payable. If we re-rent the Apartment to a new resident before your Lease term has ended, any rent we receive will be applied as a credit to the money you owe us. You will be responsible for a turnover fee to reimburse us for the costs of making the Apartment ready for a new resident at an earlier date than we planned, including but not limited to, repainting, repairing and advertising costs.

7. **Legal Expenses.** If permitted by law, you will reimburse us for all of our court costs and reasonable attorneys' fees we incur as a result of any legal action we bring against you for any reason (including an action for eviction or an action for your failure to comply with any of your obligations under this Lease). Such costs and fees will be additional rent.
8. **Notice.** If you wish to give us notice, you must do so in writing and by personal delivery or certified or registered mail, return receipt requested, at the Community address listed on the first page of this Lease or at such other address as we may, from time to time, designate.

If we wish to give you notice, we, (or our agent or attorney) may do so by delivering the notice to your Apartment or by mailing the notice to you at your Apartment. If more than one person is listed as Resident, one notice will be sufficient for all Residents.

9. **Limited Liability.** We are not liable for any loss, expense or damage to you, your family, friends or invitees for any personal injury or property damage, unless such damage or injury resulted from our negligence or the negligence of our employees, contractors or agents. Our failure to make repairs or to make repairs on time or to otherwise perform as required by this Lease is excused in all circumstances when caused by natural disaster, labor disturbance or other events beyond our control.

MOLD DISCLOSURE OBLIGATION

The presence of mold within a dwelling can result in a deterioration of air quality, potentially creating health problems, especially for those with sensitive respiratory systems or allergies. In an effort to curb the growth of mold, the Management is requiring that the Tenants participate in "mold disclosure."

Since mold grows and spreads quickly, Tenants are required to report the growth of mold (no matter how minimal) anywhere in the dwelling within twenty-four (24) hours of sighting. The property manager will have forms that you shall use to report the mold, so that the matter can be addressed as soon as possible.

Additionally, the management requires that the Tenant remedy any conditions that may encourage the growth of mold. Do not keep damp items lying around, use proper ventilation, fans or dehumidifiers when there is a large amount of humidity in the air, do not boil water on the stove for long periods of time without ventilation and if there is a leak or a spill, remove all liquid immediately and dry the area completely.

With the cooperation of the tenants, and the training of management and maintenance staff in the prevention and correction of mold problems, management hopes to maintain a safe, "mold-free" environment.

Please sign and date below as acknowledgement of this information being supplied, and to attest to the fact that you have been made aware of your responsibility as a tenant to immediately notify management of any potential mold problems.

I, Rodrigo Jimenez Campos, have read the above information and (print name of tenant representing unit) am aware of the potential problems associated with mold growth in an apartment complex. By signing below, I accept my responsibility to report (and the responsibility to ensure that any other occupant of my unit reports) any such potential mold problem in writing to management within twenty-four (24) hours of sighting, and release the management from any repercussions that may arise due to my failure to provide notice of any potential mold problem.

**SMOKE DETECTOR AND CARBON MONOXIDE DETECTOR
ACKNOWLEDGEMENT**

The premises located at 4821 WOODLAND APARTMENT 206 are furnished with an operable smoke detector and carbon monoxide detector if applicable. From this time forward it is the resident's responsibility to insure that the detectors are in working condition and to immediately notify our staff when batteries are in need of replacing. Management will replace the batteries at their own expense.

The detectors should be checked monthly by depressing the test button to insure it is in working order. Failing batteries will alert the resident by beeping every few minutes for a few days (please note that if your home is equipped with a carbon monoxide detector, it may not run on batteries but instead be plugged into a power outlet. Consequently, a power failure may cause this detector to beep). Please be certain to notify management when you first hear the beeping noise.

The undersigned hereby acknowledges that he/she has read and agrees to comply with his/her obligation as a resident concerning the maintenance of the smoke and carbon monoxide detectors.

AGREEMENT REGARDING PEST CONTROL SERVICE

Dwkt fpi <03.....Apartment Number: 821206

Our Community is happy to provide a monthly free of charge pest control service for our residents. The exterminating service can be scheduled at your convenience by calling the office to report the type of insect. They will provide service free of charge for general pests such as spiders, ants, centipedes, roaches and various other household pests.

Bed Bugs – Bed bugs are an increasing problem at apartment communities and hotels throughout the country. Any infestation must be treated quickly and aggressively.

Should you experience a problem with bed bugs, you must notify us immediately. Our exterminators will treat for bed bugs the first time at no charge. However you will be charged a fee for multiple bed bug treatments if needed and all charges will become immediately due as rent. The cost will depend on the extent of infestation and type of treatment.

Do not try to treat bed bugs yourself. They will not go away, they will just hide in places where they would not ordinarily hide, and they become much more difficult to eradicate. Leave bed bug treatment to the experts.

All infestation treatments regardless of the type of pest may require multiple visits. The exterminators will let you know whether multiple treatments are necessary, or whether you should just watch out for remaining problems. It is your responsibility to let the leasing office know if you are still experiencing a problem and need further treatments. **There may also be an additional charge applied to your account that will become immediately due as rent if you are not prepared for your scheduled treatment.**

If it is determined that you are not following proper procedure for treatments you will be considered in violation of your lease and risk being evicted from the property. Prep sheets and detailed instructions will be given to every resident requesting a bed bug or roach treatment to ensure an efficient and thorough treatment. To schedule extermination treatments, please stop by the office or call us at

I understand and accept the above conditions:
